Caring for your garment

HAND WASHING

For best results, gently hand wash knitted items in lukewarm water, using a wool detergent. Rinse thoroughly in lukewarm water. Rinse again in cold water.

DRYING

To remove excess moisture after washing, roll garment inside a large towel and gently squeeze. Alternatively, spin dry inside a pillow case. Never tumble dry. Place on a flat surface in the shade to dry, coaxing back into shape whilst damp. Drying flat is recommended. Do not dry directly in front of an open or artificial fire.

DRY CLEANING

Generally is not recommended as residual dry cleaning chemicals tend to harden hand knitted fabric.

Yarn colours shown are current at time of printing. Please check at your local yarn store for updates.
